Daniel Hawn Passes Away at 90  
"Uncle Dan" Hawn, as he was familiarly known, died at his home in Crooked Creek township the night of August 10, at the advanced age of more than 90 years.

Mr. Hawn was born a few miles southeast of Patton many years before Bollinger county was organized. His parents came here from Lincoln county, North Carolina, and first settled there. When the children were quite young the family moved to upper Crooked Creek where Mr. Hawn, together with his brothers and sisters, seven boys and three girls, were reared. Of the large family only one remains, Peter Hawn of this city. Later, Daniel married and became the proprietor of the farm, reared his family and spent his long, useful life there.

Mr. Hawn was a good and useful citizen, a member of the M. E. Church, South, and was always faithful to his vows.

His companion lived to enjoy their fiftieth wedding anniversary, but preceded him to the Great Beyond several years.

The writer had known Mr. Hawn a good many years and always enjoyed being in his presence, and it was our good fortune to have visited him in his home and enjoy his hospitality. We counted him our friend and always felt that we were fortunate in being able to do so. He was a kind friend, good neighbor and an affectionate husband and father. His integrity was never questioned by those who knew him, and he was just and upright in his dealings with his fellowmen.

It is not our intention to try to write his obituary, but we cannot refrain from paying our weak tribute to the worth of a friend and truly good man.

His remains have been placed to rest in the family cemetery, a short distance from the residence.

Peace to his ashes!

The winds and the waves are always on the side of the ablest navigator.—Gibson.
